

Company Profile

April 2022

Sappan Vision

Sappan a 100% subsidiary of Fridenson Logistic, one of the largest logistic groups in Israel.

Sappan goals to become a market leader serving Containers, Roro and Bulk (project cargo) vessel in Ashdod, Haifa and Eilat ports.

In a very short time supported by Fridenson's extensive experience and logistic capabilities, Sappan became the exclusive agent of 4 shipping lines:

Medkon lines | Erk Group | LGL Liberty | CULINES

Sappan have become recognized as an innovative leader agency in the Israeli market

OVERVIEW SAPPAN AGENCIES

Sappan Agencies was established in March 2020 by Fridenson Group to serve as Medkon's exclusive agent in Israel, operating the first Medkon line to Israel EMX soon to come (5 moth later) the MISS line

In June 2021, Sappan Agencies added additional service from Turkey :
Bulk RORO service at the begging to Haifa and than to Ashdod on a weekly call from different ports in Turkey
The Bulk RORO service offers importer a direct delivery service of palletized cargo with the high detention costs bulk cargo does suffers in Israeli ports being highly congested ports.

March 2022 Sappan Agencies had signed an agreement with CU LINE (China United Lines) a container line with aspiration to have a fixed twice a month call in Israel turkey and Greece.
At the same time, March 2022 Sappan sigend an agency agreement with LGL Liberty a pure RORO service from the US with US flag vessels.

Sappan Agencies acts as a port agency and enjoy the benefit of Fridenson Group capabilities and services such as Depot services with rail connection to all ports and major cities in Israel, trucking and rail services, customs brokerage services and others
